

Overview

Coventry University is a forward looking, modern university with a proud tradition as a provider of high quality education. Coventry is ranked number 13 in the UK in the Guardian University Guide 2019 and is the UK's Top New University in the Complete University Guide 2018.

Students at Coventry University benefit from state-of-the-art equipment and facilities in all academic disciplines including health, design and engineering laboratories, performing arts studios and computing centres.

Subjects are brought to life by dynamic, interactive and stimulating teaching delivered by world class academics. This is just part of the reason why Coventry University has achieved a gold rating in the Teaching Excellence Framework – the highest rating possible!

Coventry University focus on the future employability of students, with a range of industry-leading initiatives that prepare students for graduate employment. The Centre for Global Engagement offers students the chance to study or work abroad, gaining international experience and the skills to become globally employable. Data from the Higher Education Statistics Agency (HESA) reveal that Coventry University provided a total of 2,818 student experiences abroad in 2015/16, making it the top UK University for providing international mobility.

Located in the centre of the UK, Coventry is one of the top 5 student cities in the country! If students would prefer the study in the Capital, Coventry University also have a campus right in the heart of London's financial district, offering a range of courses and MBA programmes in Business, Finance, Fashion and Hospitality.

With a fantastic approach to teaching and learning and such a wide range of courses, it's no wonder thousands of students from around the world choose this award-winning university every year.
